- ☒ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview directly resulted in the allowance of the application. The examiner will provide a written summary of the substance of the interview in the Notice of Allowability.  
☐ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview did not result in resolution of all issues. A brief summary by the examiner appears in Part II above.

  
 (Examiner/SPE Signature)

\_\_\_\_\_  
 (Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: Applicant agreed to amend claim 17 to conform to the language disclosed in the specification of a computer readable medium instead of a machine readable medium. Applicant agreed to add the language of claim 13 to independent claim 10 wherein the third party application comprises a non-network based application, and cancel claim 14 to conform to the language of the other claims wherein the server allows for the dynamic access of the object for the datum from a network based application to a non-network based application and vice versa. Applicant also agreed to amend claim 10 to correct the 101 issue of not being tangible embodied.
